Bio 183F/L

Assignment 10
Final Paper

Submit a paper with final, polished versions of:

- summary
- introductions
- methods
- results
- citations (at least 4)

ALL of these should reflect the comments you’ve received on the earlier drafts.

Instructions:

- all pages should be double spaced
- summary + intro should be no more than 2 pages

Previous versions are not needed (I have notes on all of those!!).

Due: TBA

Where: either my mailbox (A316 EMS) or the envelope outside my office. As always, contact me if you have a problem and/or need an extension.
